

St Theresa's Catholic Primary School Nursery Provision Questionnaire

From September 2017 working parents will receive double the amount of free childcare for 3 and 4 year olds. To be eligible for 'Extended Free Entitlement' you must meet the following criteria:

- Both Parents must be working (one parent only if single parent family).
- You must earn at least the equivalent of 16 hours pay at minimum/living wage per week.
- There is an upper limit of £100,000.00 per year.

Here at St Theresa's we would like to get feedback from parents to help us get an idea of the kind of Nursery provision our families are looking for. Please assist us by completing the following questions and returning it to the school office. We would like to hear from families currently using our Nursery or those with plans to do so in the future.
