

Live sessions

We do not expect that pupils access live sessions as we know that many families are sharing devices and balancing home learning with working from home. If you are able to join us for our live events, like our assembly this afternoon we would love to see you. To help keep everyone safe, here are the rules that we are following. Please share these with your children so that they understand them before joining a live meeting.

Rules for pupils on Live Team Meetings.

- 1: Dress appropriately: e.g. No pyjamas please.
- 2: Sit in a shared space such as the living room or kitchen, or blur your backgrounds, ideally no bedrooms please.
- 3: Ideally make sure an adult is close by to help you and keep you safe.
- 4: Remember we can all see you and your background so remind other people in the house that we can see and hear them as well so they must follow these rules too.
- 5: Check your screen name is correct and not a nickname or someone else's name.
- 6: Make sure you are on mute.
- 7: You may turn off your video if it makes you feel safer.
- 8: Use the chat function if you want to join in but only to talk to the adult.
- 9: Make sure behaviour and your words match the high expectations we have of you when we are face to face.
- 10: Remember that all chats and videos are monitored by staff.
