Dropping off & Collection Arrangements

Having spoken to parents, children and staff we have decided to keep the morning and afternoon arrangements as they are. Things are working well with the children ready to commence lessons promptly at 8.50am. If parents need to speak to teachers they can do so at 8.40am or after school. Alternatively you can contact the school office and make an appointment.

Water Bottles

A large number of children do not have a water bottle in school. Could you please ask your child to make sure they have one. You can either bring a water bottle from home or they can be purchased from the office for £1.50.

School Library Books

If you have any school library books at home, please could they be returned on Monday. We are currently electronically cataloging our library.
